KITCHEN

The kitchen has a commercial LP gas range (six burners, a conventional oven, and a grill), a single LP gas convection oven, a reach-in refrigerator, a walk-in refrigerator, a reach-in freezer, an ice machine, a microwave oven, a pantry, a commercial mixer, and adequate counter and cupboard space. A dish washing machine with detergent and sanitizer is provided. You need to bring dish soap for a three-well sink for scrubbing pots and

pans. The kitchen is supplied with plates, cups, bowls, tumblers, flatware, and serving pieces. A steam table/serving counter accommodates cafeteria-style serving. Food preparation utensils and containers are well-stocked including large spoons, forks, ladles, spatulas, tongs, sharp knives, large bowls, sheet pans, roasting pans, a coffee maker, pitchers, funnels, strainer/colander, whisk, etc.

- Please do not use disposable products such as paper plates, plastic cups, tableware, etc.
- Plan to bring all consumable goods such as paper towels, toilet paper, 10-cup basket-style coffee filters, trash bags, dish towels, soap, cleaning supplies, etc.
- Please plan to haul your garbage to a dumpster located on the property. A trailer is provided at the campsite for hauling garbage. A 2" ball hitch is required.
- BBQ barrels are available, but you must bring your own charcoal, firewood, and starter.

DINING

The Dining Hall adjoins the kitchen. Folding tables allow the room to double as a meeting room or activity room between meals. A large open patio behind the Dining Hall can also be used for dining or activities. A large fireplace dominates one wall (bring firewood). A large bay window overlooks the river. The room is heated but not air-conditioned.

WATERFRONT

Two swimming areas plus abundant wading areas accommodate all ages and water activities.

- A certified lifeguard must supervise all waterfront activity.
- While fishing, please observe our "catch & release" policy.
- Canoes are available. Personal flotation devices are provided and must be worn in the canoes.

PAVILIONS

- An open-air covered pavilion with bleacher seating can be used for meetings, worship, activities, etc. The pavilion has electrical outlets, but no A/V equipment is available.
- An Activities Pavilion is available with bleacher seating for 150.

RECREATION

- An amphitheater and campfire ring face the river. Firewood is not provided.
- A large grass infield near the cabins accommodates many activities. Across the river, a lighted basketball court and a large playing field, suitable for soccer, softball, capture-the-flag, and other large group games, are available. You must provide your own sports equipment.
- Hiking trails are nearby.
